Neuroscience Workshop: Simulation Workshop: Perioperative Neurological Emergencies

Workshop Fee: 200 USD

This is a full scale simulation session. Based on real life scenarios, participants will work together to handle perioperative neurological emergencies and obtain feedback on their management and crisis management skills.

- Simulation Workshop: Perioperative Neurological Emergencies
  - Shobana Rajan, United States

- Simulation Workshop: Perioperative Neurological Emergencies
  - Shobana Murugan, United States

- Simulation Workshop: Perioperative Neurological Emergencies
  - Chin Ted Chong, Singapore

- Simulation Workshop: Perioperative Neurological Emergencies
  - Matthew Chan, Hong Kong

- Simulation Workshop: Perioperative Neurological Emergencies
  - Shang Yee Chong, Singapore
