Programme
Neuroscience

Tuesday, March 05, 2024

Session Date/Time: Tuesday, March 5, 2024 - 14:00 - 18:00
Tan Tock Seng Hospital

Neuroscience Workshop: Simulation Workshop: Perioperative Neurological Emergencies

Workshop Fee: 200 USD

This is a full scale simulation session. Based on real life scenarios, participants will work together to handle perioperative neurological emergencies and obtain feedback on their management and crisis management skills.

Simulation Workshop: Perioperative Neurological Emergencies
Shobana Rajan, United States

Simulation Workshop: Perioperative Neurological Emergencies
Shobana Murugan, United States

Simulation Workshop: Perioperative Neurological Emergencies
Chin Ted CHONG, Singapore

Simulation Workshop: Perioperative Neurological Emergencies
Matthew Chan, Hong Kong

Simulation Workshop: Perioperative Neurological Emergencies
Shang Yee Chong, Singapore
